Under the Hood Trademark Variants

While the complimentary color scheme for our trademark is a factor for the success in our branding, other variations are available if it is not possible.

Applying our Trademark

Mistakes to Avoid:

- Only one character is colored.
- Colored variants of the logotype.
- One using one of the characters.
- Colors blend into the background.

Branding Put to Use: Tag-in

Tag-ins are what make our store unique compared to other clothing outlets. If you donate a hoodie, you are also able to create a tag to go alongside it. This is a dating feature of sorts, to have our customers know who donated what they're buying, alongside setting up a relationship!
